

Wireless access Android

Connecting to CampusRoam from an Android device

Tested on a Samsung Galaxy (Android 8.0) – other models may differ slightly

1 Open the Settings app.

2 Tap 'Connections'.

3 Tap 'Wi-Fi'.

4 Enter domain – **bolton.ac.uk**

5 Enter your username@bolton.ac.uk

6 Enter your University password

7 Select 'Save'

8 Tap 'CampusRoam' in the available networks list.
